

# Belco Resources Equipment

## 19 Foot Commercial Duty Hay Tedder

Belco Resources Equipment now offers the new "U" joint 4 Rotor 19 Foot commercial series to its Hay Tedder line. The BHT-19H pull-type machine comes standard with Hydraulic Lift and Tilt for quick movement between hay fields. Large 16" high floatation tires provides a smooth ride even over rough ground. Wheel fenders are standard to keep wrappings to a minimum. 360 degree guards assure safety and the unit even comes standard with a back stand to prevent tipovers.

Hydraulic Lift and Tilt - Standard

Wheel Fenders - Standard
