## Gear Drive Rotary Tillers

Dependable Rugged Gear Drive Performance from 48 to 80 Inches for tractors up to 60 HP.

Get an Advantage rotary tiller; the toughest built economy priced tiller available.

Built tough for years of dependable service. Available in 5 popular sizes, the Advantage Rotary Tiller is perfect for landscapers, hobby farmers, gardeners, nurseries, orchard operators, developers, and contractors.

Models feature a heavy-duty gear drive, 7" working depth, and six carbon steel blades per flange for a smoother tilled finish. Slip-clutch PTO comes standard on all models for ultimate driveline protection. Double reinforced, formed rear deflector with chain adjustment keeps soil and debris beneath the tiller for thorough pulverization.
